

ART IN THE OPEN

What does €50 to be a Patron get you? - You get an invitation for you and a companion to the AITO exhibition preview wine reception in Greenacres [at 2pm on Sunday 5th August](#). There you will get first dibs on the best of over 200 paintings of County Wexford by talented artists [from around 14](#) countries. And if you buy, you will receive your €50 back from the purchase price. Either way, you are supporting a great little festival which is non-profit, run by volunteers, creates no noise, litter or traffic jams and generates more than 1500 bed-nights to the economy every year and a colossal amount in visitor spending. You will also be supporting decorative street art in Wexford, a variety of free demos and a fundraiser for Cottage Autism Network Wexford. Be proud that Wexford's own Art in the Open is the largest plein air painting festival in Europe.
